

# Anam Khan

(Counsel)

South Eastern Circuit / Midlands Circuit

Anam has attended almost 2,000 hearings for LPC since August 2013. She has experience of acting for companies and sole traders in the architectural, legal, automotive, engineering and building industries where the primary issue has been the quality of the products and services provided.

Anam has acquired a wealth of experience in acting for lenders in debt recovery actions pertaining to consumer credit, principally dealing with issues of limitation, identity and contract formation.

Anam is particularly interested in developing her personal and commercial insolvency experience. She has been instructed to represent the official receiver on preliminary hearings concerning void transactions, breach of director's duties involving illicit dividend payments and failure to discharge company obligations.

In her Criminal work, Anam has had the benefit of being involved in a high-profile bribery and corruption trial this year, as such; Anam has acquired an interest in financial crime and its cross-over with Civil.
